

### **Dave Isaacs: The Transition for Lyricist to Musician**

- Learn how a lyricist can become a musician
- Make conversational lyrics rhythmic and effective by experimenting and trying different tempos
- Play with your hook by “contouring the melody” to make it more interesting
- The right chords can push your lyrics to the right place
- A simple two chord progression could be all you need to move your song along

Trusting your instincts; the tiniest idea can open up the possibilities
