

WHAT'S INCLUDED IN YOUR NSAI MEMBERSHIP

SUBMIT SONG EVALUATIONS

You receive **12 Song Evaluation credits** during your membership year. An independent team of professional songwriters are carefully selected and equipped by NSAI to review and evaluate the songs. NSAI has evaluators in multiple genres of music including: Country, Rock, Christian, Pop, R&B, Folk and more. The evaluator's comments are designed to encourage, equip and empower our members to craft a song to their best potential, helping them successfully communicate their lyrics and melody.

GET YOUR SONG(S) HEARD BY PUBLISHERS

We give you chances to pitch your songs to industry professionals at our Nashville workshops. But you don't have to live here! Our most popular service, Online Pitch, is now offered twice monthly and members get **2 Online Pitch credits** per membership year. The best songs that come through NSAI's member pitch services are presented at our quarterly Pitch-To-Publisher Luncheon.

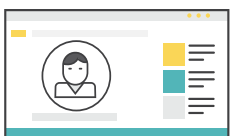

JOIN OUR INTERNATIONAL FAMILY

One of the perks of joining NSAI is meeting other members in your area and around the world! With over 150 Regional Chapters, NSAI volunteer coordinators dedicate their time to helping members make the most of their membership outside of Nashville! Affiliate with your local chapter online, connect with other NSAI members by attending a local chapter meeting, through our Member Pages and Directory and our Forums.

LEARN THE CRAFT AND BUSINESS

Each Thursday at 5:45pm CT we host a workshop featuring guest industry speakers, publishers and more! Attend in person to meet your future co-writers, share knowledge, talk shop, swap tips and business cards. Not in Nashville? Stream most of our workshops live on our website or enjoy them and many other educational videos at your convenience in our expansive video library. You can even test your knowledge with our Certification Program.

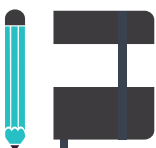

SHOW OFF YOUR STUFF

As a member, you become a part of the NSAI songwriter community! Create your very own member profile page complete with a headshot, bio and a couple of your original songs. You have the ability to communicate with other members through messaging and page comments. Additionally, your NSAI accolades will be listed on your page for everyone to see!
